\*Applicable to sugar cane planters only

#### 3. Declaration:

I..... am hereby applying for free compost under the Compost Subsidization Scheme 2017/18 for the above fields, acreage, types of crop, compost and packaging. I declare and warrant that the above information provided by me in every respect is true and correct and I have not withheld any information likely to affect the acceptance of this application. I have also been informed that quantity of compost that will be provided to me will be calculated on the types of crop, packaging and acreage owned up to a maximum of five (5) arpents, provided I submit all relevant land tenure documents. I have also been informed that necessary technical advice should be sought from the Food and Agricultural Research and Extension Institute (FAREI)-(vegetables, fruits and ornamentals) and Mauritius Cane Industry Authority (MCIA) – (Sugarcane) for the utilization and application of the compost on my field/s.

**I have been made aware that the compost is being provided on a first come first serve basis depending on the availability of the product from the supplier and therefore the completion of this application form does not necessarily warrant that compost will be made available to me. Priority to be given to those planters who have never benefitted from free compost.**

**I also have no objection that my given contact details be submitted by the SFWF to the SWRL for the planning and delivery of allocated compost to me.**
