2.0 Declaration

I..... am hereby applying for subsidy under the Bio Farming Support Scheme 2022/23 for the above products, fields and acreage. I declare and warrant that the above information provided by me in every respect is true and correct and I have not withheld any information likely to affect the acceptance of this application. I have also been informed that the subsidy that will be provided to me will be calculated on the types of products namely:

- (i) Up to a maximum of five (5) arpents for open field cultivation, provided I submit all relevant land tenure documents and other documents e.g Bio certificate from a recognised body, Maurigap certificate from FAREI or letter from the FAREI certifying that I have the intention to/am conducting bio farming, or
- (ii) Up to a maximum of 10,000m² for protected culture

I have also been informed that necessary technical advice should be sought from the Food and Agricultural Research and Extension Institute (FAREI) for the utilization and application of the products on my field/s.

I have been made aware that the subsidy is being provided on a first come first serve basis depending on the availability of the product from the supplier and therefore the completion of this application form does not necessarily warrant that the product will be made available to me.

I have also been informed that three (3) applications of bio fertilizer and seven (7) applications of bio pesticide would be provided as subsidy for a maximum of Rs 4830 per arpent per crop cycle for a maximum of three crop cycles for open field cultivation and for a maximum of 10,000m² for protected culture.

This Application Form together with the Annexure/s A, B &/or C shall constitute the full set of the said Application Form.
